End Term Party

To cherish the memories of the whole session, students enjoyed their End Term Party at its full length. They were dressed up in beautiful dresses and enjoyed different activities like singing and dancing and expressed their happiness by having a wonderful photo-shoot.

Singing Gala

The little stars of Early Years participated enthusiastically in Singing Gala, 2019. The finalists were selected after going through different rounds. The students sang many interesting rhymes along with performances. The chief guest of the event was Headmistress Ma'am Sabahet Malik and the judges were the music teachers of Middle and Primary Block Mr Ali and Mr Obed . Finally, trophies were awarded to the winners of the event.

DIY Contest

To highlight the importance and need for recycling, a wonderful event "DIY Contest" was organized. The parents were involved with the kids and they created magnificent masterpieces using the recycled material. All the kids and parents were equally enthusiastic. The chief guest of the event was Ma'am Sabahet Malik. In the end, the winners were bestowed with the "Artistic Hands Award," by Senior Mistress Ma'am Farah Kamal.

STEM Project

The students of Early Years were given real-world challenges while enjoying STEM projects, where the children selected their task and tried to achieve their goal. It turned out to be the best way to integrate the four disciplines of Science, Technology, Engineering, and Mathematics into a cohesive learning paradigm.
